CHAMPION PACERS TO MEET.

Syracuse N. Y., Sept. 1.—Directum I and Williams, the champion pacers of the year, will probably meet in a match race at the North Randall track some time in September. After Directum I had established a new world's record here yesterday. James Butler, his owner, wired his consent to a proposed match with Williams, who on August 5 paced one heat in two minutes. Eighty per cent of the gate receipts on the day of the match will go to the winner.
